Welcome to the End of My Patience

[Atheism](#) | [Debates](#) | [Ethics](#) | [Politics](#) | [Religion](#) | [Christianity](#) | [Islam](#) | [Terrorism](#) | October 20, 2015

I hesitate to promote this interview, because it shows me at the end of my patience (and I stay there for 2 hours). However, I did manage to express almost everything I think about the “regressive Left” in general and about my least-honest critics in particular. I stand by everything I said here, but I’d like to apologize to the interviewer, Kyle Kulinski, for all the interruptions.—**SH**
